TECHNICAL PROJECTS

Kata Alpaca — International Client (Freelance, Contracted)

Frontend Developer — 2-developer team

Nov. 2025 – Dec. 2025

- Developed 3 of 7 landing page sections from Figma designs using Next.js, React, and Tailwind CSS, delivering ~45% of the finished frontend.
- Implemented a news/blog module with Hygraph (Headless CMS), enabling content updates without redeployment.
- Configured internationalization (i18n) for 3 markets (Singapore, France, USA) and adapted a static Next.js build for cPanel hosting.

SENSES — Clinical Management Software for Psychologists (team project)

2025

QA Engineer

- Designed and documented 100% of black-box test cases (equivalence partitioning, boundary value analysis, decision tables) for role-based access flows (Admissions / Psychologist).
- Built a traceable functional test catalog, improving defect detection and requirement coverage for the module.

Universidad Nacional de San Agust n (UNSA) — Data Science Research

2025

Data Analyst

- Cleaned and processed national respiratory infection (IRAH) datasets with Python (Pandas); built Tableau dashboards and geospatial maps identifying areas of highest concentration across Peru.

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- Organizer, Hack4Edu UNSA 2025 (Oct. 27–29, 2025) — Coordinated the planning and execution of a university-wide hackathon, contributing to the event's success and to the promotion of technological and educational innovation.
- Participant, V International Systems Engineering Congress – CIIS 2025, UNSA (Oct. 9–10, 2025) — 30 academic hours.
- Attendee, PERUMEC 2026 – Peruvian Engineering Convention, Cusco, Peru (Aug. 3–7, 2026) — Organized by ASME Peru Section and Engietek S.A.

ADDITIONAL EXPERIENCE

Loon Mountain Resort — Work & Travel USA

New Hampshire, USA

Line Attendant & Hospitality Staff

Dec. 2025 – Apr. 2026

- Selected to independently open and operate an emergency point-of-sale after an infrastructure failure, managing cash handling and customer service under pressure with no advance notice.
- Earned 6 HOPE Cards for outstanding performance during high-demand periods; provided service entirely in English.

Alba S.A.C.

Arequipa, Peru

Logistics & Billing Assistant

Jan. 2024 – Mar. 2024

- Received, classified, and tracked auto-parts inventory and recorded invoices in a high-volume warehouse, applying precision in documentation and data entry.
